Product Description
BASIC USE
 The BRM is a bridge rectifier module that can be used to convert AC voltage to DC voltage for a variety of applications.

- 4 wire configuration. 2 wire AC input, 2 wire DC output
- Listing: UL recognized component

Technical Data	
SPECIFICATIONS	
Model	BRM
Primary Rated Voltage/Frequency	100V AC/60 Hz
Temperature	-85°F to 130°F (-65°C to 150°C)
Weight	Less than 0.5 lb.

Availability & Cost
AVAILABILITY
 Available internationally from manufacturer's authorized distributors; contact MS SEDCO for the location of nearest distributor.

COST
 Cost information on MS SEDCO products is available from the manufacturer's authorized distributor.s

Warranty
 MS Sedco, Inc. guarantees this product to be free from manufacturing defects for one year from the date of installation. Unless MS Sedco is notified of the date of installation, the warranty will be in effect for one year from the date of shipment from our factory. If, during the first year, this product fails to operate and has not been tampered with or abused, the unit can be returned prepaid to the factory and be repaired free of charge. After one year, the unit will be repaired for a nominal service charge. **Limited warranty is in lieu of all other warranties, expressed or implied, including any implied warrant ability of merchantability, no representative or person is authorized to assume for MS Sedco any other liability in connection with the sale of our products. All warranties are limited to the duration of this written limited warranty. In no event shall MS Sedco be liable for any special, incidental, consequential, or other damage arising from any unclaimed breach of warranty as to its products or services.**

Maintenance
 MS SEDCO recommends that all maintenance and adjustments be performed by an AAADM Certified Technician.

Technical Services
 MS SEDCO's staff of factory trained sales and service personnel offer design assistance and technical support. Local distributors are also available to assist in selecting appropriate devices for specific used and to provide onsite installation.
